Celebration of Mind Event

As in the past few years, we will be co-celebrating Martin Gardner's 109th birthday by hosting a Celebration of Mind party (see <http://www.celebrationofmind.org>) as part of our meeting. Gardner (1914-2010) was the editor of the Mathematical Games column of *Scientific American* from 1956-1981. Plan to arrive at 7:30pm for refreshments and a special guest speaker, with the graphics video show starting around 8:15pm.

All Princeton ACM / IEEE Computer Society meetings are open to the public. Students and their parents are welcome. There is no admission charge, and refreshments are served.
